

Your local residents' association  
**Selly Park South Neighbourhood Forum**  
*Working for the local community and environment*

**SPECIAL GENERAL MEETING**

**TUESDAY 1<sup>ST</sup> OCTOBER 2019**

**7.30pm at Christ Church  
953 Pershore Road, Selly Park, B29 7PS**

The reason for calling this meeting is because essential business at the Annual General Meeting in July could not be completed as less than the required number of 25 residents were present to make the meeting valid.

A number of members of the existing Forum Management Committee are retiring from the committee and will not be seeking re-election.

As a result new committee members are needed to join those who will be continuing. From the new committee a new chair, secretary and treasurer will need to be elected. This is essential if the Forum is to continue to operate. **The Forum has done much good work over its 14 years of existence. It is now in danger of being wound up unless sufficient residents come to support it at this Special General Meeting. Without the Forum our community will have no collective voice or representation regarding important issues.**

**The Resolution before the Special General Meeting is:**

- 1. To elect members of the Management Committee from which a Chair, Secretary and Treasurer will be elected, in accordance with the Forum's constitution.**
- 2. If this cannot be achieved, then to dissolve Selly Park South Neighbourhood Forum and dispose of its assets in accordance with the Forum's constitution.**
